

## 2006/07 SPIRIT OF CRICKET AWARD

### Guidelines for awarding points:

1. Captains acceptance of their responsibility of their players behaviour as required under the Laws of Cricket
2. A team's adherence to the principles of the Spirit of the Game (includes respect for team mates, opponents and umpires' role).
3. Acceptance of umpires' decisions
4. Points to are be awarded in **ALL** Men's Grades, and Women's matches
5. Points should be awarded even if only a small amount of play occurs. It may not amount to anything noteworthy, but ample opportunity still exists for the good or the bad to occur. If nothing happens to permit a considered assessment of behaviour, 1 is probably the best point score.
6. Consider where the game sits across the spectrum of games you have umpired in terms of the spirit in which players approach it, overall enjoyment by players & umpires alike, and behaviour - both generally & specific incidents

### Umpires Procedures:

- Umpires give Spirit of Cricket points to each team at the end of each game
- Points are to be discussed, either in the Facilitated after match meeting (relates to 'Player Behaviour) with Captains, or where there is not one with the 2 Captains, preferably together,. This will enable the umpires to provide valuable feedback to the Captains about Spirit of Cricket issues.
- In the event of a player being found guilty of a breach of the Code of Conduct, the team will automatically receive -1 point.
